

NEW – PARKING

Effective upon implementation of this Agreement, the City will provide a Green Zone parking pass, or, at the employee's option, another Zone selected by the employee, to employees who primarily report to work locations assigned to the Downtown Campus, including but not limited to: City Hall, Franklin Annex, Wall Street Annex, Bond Street Annex, South Sister Building, and Middle Sister Building (hereinafter "Downtown employees"). Additionally, upon implementation of this Agreement, the City will:

- increase the Transportation Demand Management (TDM) Employee Incentive Program/Commute Options benefit to three (3) times its current value;
- anytime a Downtown employee is not able to park in their elected Zone, the City will reimburse the employee for the Diamond Parking daily fee;
- move at least half of the Fleet department vehicles currently parked downtown to another location;
- make available City pool cars for employees to utilize for medical/dental appointments during the employee's regular work hours;
- provide security for employees walking to Zones other than the Green Zone;
- request and pursue the option to rent/lease parking spots from the Bend-La Pine School District; and
- within ninety (90) days of execution of this Agreement, the parties will meet and develop articulable, measurable factors and an ongoing process and plan to evaluate the efficacy of each of these strategies, including telecommuting.
