

COBEA Update

Board Meetings

While we tried moving board meetings to the 2nd Tuesday of every month, this conflicted with many board members schedule changes. After elections, the board will consider the best standard moving forward though meeting times may change. We encourage you to look for updates on the COBEA bulletin boards or via email notices. The November board meeting and last one for this current board will be held November 14th from 5 to 6:30pm in the Awbrey Butte conference room City Hall.
