PREAMBLE

This Agreement is made and entered into by and between the City of Bend (hereinafter the "City") and the City of Bend Employees Association, (hereinafter "COBEA").

It is the purpose of this Agreement to achieve and maintain a harmonious relationship between the City and COBEA, to provide for equitable and peaceful adjustment of differences which may arise, and to establish proper standards for wages, hours, and other conditions of employment.

The mailing address of the City shall be "City of Bend, 710 NW Wall Street, Bend, Oregon 97703". The mailing address of COBEA shall be "City of Bend Employees Association, P.O. Box 1384, Bend, Oregon 97709".

ARTICLE 1. RECOGNITION

Section 1.1 Recognition. The City recognizes COBEA as the sole and exclusive representative with respect to wages, hours, benefits, and mandatory conditions of employment for all employees included in the bargaining unit. The purpose of this Article is to recognize the right of the bargaining agent to represent City employees in the bargaining unit in negotiations with the City.

Section 1.2 Bargaining Unit. Employees who are subject to the terms of this Agreement shall include employees whose job titles are included in COBEA salary schedule within this Agreement whose positions are (1) Regular full-time and (2) Regular part-time. Employees hired into Limited Term positions are subject to the terms of this Agreement, excluding Article 16 – Layoff, and Article 17 – Seniority. Benefits, accruals and other conditions of employment for regular part-time COBEA members who work an average of 20 - 29 hours per week shall be pro-rated at 50% of the level provided to full time members and for part time COBEA members who work an average of 30 - 39 hours per week shall be pro-rated at 75% of the level provided to full time members.

Section 1.3 Bargaining Unit Exclusions. Management, confidential and supervisory personnel, and any other classified employee mutually agreed upon are excluded. Temporary (employed for less than a year and less than 2080 hours), Intermittent (less than 600 hours in any calendar year), Volunteer (appointment under ORS 657.015, to which the appointee donates services without receiving or expecting remuneration), and Retiree Rehire (employee currently receiving Oregon PERS or other retirement benefits) employees are excluded from the Association.

Section 1.4 City Notification. The City, when exercising the right to create, reclassify and/or combine positions shall notify COBEA in writing and in a timely manner. COBEA will have 15 business days to formally respond upon receipt of notification by the City. If a dispute exists concerning the appropriateness of inclusion or exclusion of a position, the parties shall meet to discuss the issues within the 15 day period. If the dispute remains after the 15 day period expires either party may petition the Employment Relations Board for unit clarification. Consistent with ORS 243.698, the City will not be precluded from hiring the position at the posted wage, however, the City recognizes the obligation to bargain and honor any interest arbitration decision.

ARTICLE 2. WAIVER AND SCOPE

Section 2.1 This Agreement shall not be modified in whole or in part except by an instrument, duly executed by both parties.

Section 2.2 Complete Agreement. This contract constitutes the sole and entire existing Agreement between the parties and completely and correctly expresses all rights and obligations of the parties.

ARTICLE 3. ASSOCIATION RIGHTS

Section 3.1 Employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing, for the purpose of representation on matters of employee relations. Employees shall also have the right to refuse to join or participate in the activities of any employee organization. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City or by an employee organization because of their exercise of these rights.

Section 3.2 Membership / Fair Share

(a) Terms. The terms of this Agreement have been made for all employees in the bargaining unit and not only for the members of COBEA. Accordingly, it is fair that each employee in the bargaining unit pay their own way and assume their obligation along with the grant of equal benefits.

(b) Dues. The City, when so authorized and directed in writing by the Secretary of COBEA on the authorization form provided by the City, will deduct current Association dues from the wages of all employees in the bargaining unit.

(c) Check-off Errors. The City will not be held liable for check-off errors, but will make proper adjustments with COBEA for errors in the following pay period.

(d) Monthly Service Fee. Any regular employee who is a member of COBEA and has not joined the Association within (30) thirty days of becoming a regular employee shall have deducted from their pay by the City, as a condition of employment, a monthly service fee in lieu of dues in an amount certified to the City by the Association. This service fee shall be used on a pro-rata basis solely to defray the cost of its services rendered in negotiation and administering the agreement. Service fee deductions shall be made only if accrued earnings are sufficient to cover the service fee after all other authorized payroll deductions have been made.

(e) Religious Objection. The parties agree that the provision of ORS 243.666 shall be applied to employees who object to paying fair share payments on bona fide religious tenets or teachings of a church or religious body. An individual employee who establishes such religious beliefs and does not join the Association and objects to paying fair share to the Association based on a bona fide religious tenet or teaching of a church or religious body of which the employee is a member shall not be required to pay dues or fair share payments; but such employee shall be required to pay an amount equivalent to fair share to a non-religious charity or to another charitable organization mutually agreed upon by the employee and the Association. The employee shall furnish written proof to the City and the Association that this has been done.

(f) Itemized Statement. The aggregate deductions of all employees together with an itemized statement shall be remitted to the President or Secretary of COBEA no later than the tenth (10) of the month following the month for which the deductions were made. The itemized listing of COBEA members shall reflect employee terminations, retirements, cancellations, leave without pay, return from leave without pay,

new members, fair share members, salary changes, name changes, and/or any other personnel action, which would affect the amount of dues withheld.

Section 3.3 Association Representatives. The Association agrees that members of the Association selected to serve as official representatives will be certified in writing to the Human Resources Manager. Association representatives shall be expected to perform their duties on their own time but, they, with their immediate supervisor's approval, may be granted time off with pay to perform their duties as long as the requests are reasonable and do not unduly disrupt the operations of the City.

Section 3.4 Bargaining Committee. The number of COBEA's collective bargaining committee members shall be equal to the City's bargaining committee and shall be granted time off with pay to negotiate with the City. A minimum of five (5) employees for each party. All City-paid work time authorized by this agreement spent performing COBEA related activities shall be recorded as such on the employee's time record. Regular work time spent performing COBEA related activities but not authorized as City-paid in this agreement shall be charged against the employee's accrued leave.

Section 3.5 Bulletin Board. The City shall maintain reasonable (number, size and location) bulletin board space designated for the exclusive use of COBEA in communicating with Association members restricted to Association business, training benefits, education or other COBEA announcements. The Association shall limit its posting of notices and bulletins to such bulletin board space; all postings will be stamped with Board approval prior to posting. The Association shall periodically clear the board of outdated materials. All such postings shall promote good relations between the parties and be non-inflammatory in nature.

Section 3.6 Representation & Handbook. The City agrees to inform all new bargaining unit employees of COBEA's exclusive representation status and shall provide all new employees with a digital version of the City's Employee Handbook.

Section 3.7 COBEA Orientation. An authorized representative of the Association shall be allowed one hour of informational welcome time with newly employed staff appointed to COBEA represented positions. The meeting shall occur within the first thirty (30) days following appointment and be scheduled in advance.

Section 3.8 City Email System. The parties recognize that the City's email system is the sole property of the City. This resource is provided or assigned to employees to facilitate the orderly and efficient conduct of the public's business. Permitted email use constituting public business includes such labor relations activities as described below. In general, all such communications may be subject to disclosure, and the parties recognize that the City does not have an obligation to assert any exceptions or exemptions from disclosure as to public records that happen to contain information relating to Association activity by City employees. The parties recognize that the City may review all City emails in the City system at any time.

Certified Association Officers may use the City's email system to conduct labor relations business for the limited purposes of

- (a) Notifying Association members of meetings and to schedule meetings (date, time, place and agenda).
- (b) Scheduling meetings among Association Officers (date, time, place and agenda).
- (c) Filing official correspondence with the City (i.e., grievance documents, demand to bargain notices), provided however that timelines for grievance responses shall run from receipt (the date an email is sent).
- (d) Communicating between the Association attorney, Certified Association Officers and City Officials.
- (e) Notifying members of all Association related events, bargaining related matters, and other official Association business announcements.

Such City email communications shall be specifically identified in the Subject Line as Labor Relations Business in addition to any other topic.

The City retains control over the City email system and may restrict or revoke permission to use the City email for labor relations purposes at any time after meeting and discussing such decision and the City's reasons. Association officers and members will keep on-duty use of email for labor relations purposes (sending/reading) to a minimum.

The parties recognize that use of the City's email systems outside of what is authorized in this Section is considered a violation of policy.

Section 3.9 Job Opportunity Notice. The City shall take reasonable steps to afford members of COBEA notice of all regular job openings within the City.

ARTICLE 4. MANAGEMENT RIGHTS

Except as otherwise expressly and specifically limited by the terms of this Agreement, the City retains all their customary, usual and exclusive rights, decision making, prerogatives, functions, and authority connected with or in any way incidental to its responsibility to manage the affairs of the City or any part of the City. The rights of employees in the bargaining unit and COBEA hereunder are limited to those specifically set forth in this Agreement, and the City retains all prerogatives, functions, and rights not specifically limited by the terms of the Agreement. Should the City need to use the expedited bargaining process as required by ORS 243.698, the parties agree to modify Section 4 in that the bargaining need not take more than thirty (30) days and mediation is waived, unless the parties mutually agree to utilize it. After 30 days, if it wishes to do so, the City can implement all or part of its final offer.

ARTICLE 5. CITY SECURITY

COBEA and its members, as individuals or as a group, will not initiate, cause, permit, or participate or join in any strike, work stoppages, slowdown, picketing, or any other restriction of work except as provided by law.

ARTICLE 6. NON-DISCRIMINATION

Section 6.1 The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to race, color, religion, sex, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, veteran's status, medical condition, sexual orientation or gender identity, expunged juvenile record, genetics, political or union affiliation and/or other protected status unrelated to job performance. Each party shall share, within the limits of their responsibility, the application of this provision of the Agreement.

Section 6.2 The City and COBEA agree not to discriminate against any employee for their activity or non-activity on behalf of, or membership in, COBEA.

Section 6.3 All references to employees or officers in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 7. WORK SCHEDULES

Section 7.1 Fair Labor Standards Act (FLSA) Workweek. The regular workweek shall consist of seven (7) consecutive days. The workweek shall start at midnight on Sunday and end at 11:59 PM on Saturday. The workweek shall include a minimum of two consecutive days off. Alternate workweeks may be established with mutual agreement between the parties.

Section 7.2 Notification of Schedule Changes. Established regular work schedules will not be changed with less than ten (10) working days advance notice, except in the following circumstances:

- (a) for the duration of an emergency; or
- (b) to accommodate the operational need to coordinate work with an external agency; or
- (c) notice is voluntarily waived in writing by the employee(s).

Section 7.3 Preparation/Clean Up. The workday is defined as a twenty-four (24) hour period, commencing at 12:00 midnight on the employee's scheduled shift day. Each shift shall have regular starting and quitting times. Within the workday, clean-up time for City equipment and tools is at the discretion of the employee's supervisor. Personal clean-up time shall be provided up to a maximum of fifteen (15) minutes at the end of the scheduled shift. Personal clean-up time shall be afforded only when necessitated by the nature of the work assignment and shall not be provided for any purpose other than to clean personal property required for on-the-job performance or City property assigned for personal use. An employee is expected to be properly dressed and ready for work at the beginning of the work shift, and to work until the end of the assigned shift unless otherwise directed.

Section 7.4 Regular Work Schedules. The work shift for full-time employees shall consist of one of the following:

- (a) An eight (8) -hour work period exclusive of authorized meal periods.
- (b) A ten (10) -hour work period exclusive of authorized meal periods.
- (c) A bi-weekly work schedule consisting of four (4) consecutive ten (10)-hour days on with three consecutive days off, followed by five consecutive eight (8)-hour workdays with two (2) consecutive days off.
- (d) An eight (8)-hour work period inclusive of a paid thirty (30)-minute meal period, any portion of which falls between 6:00 pm and 6:00 am, and the entire period from 6:00 pm Friday until 6:00 am on Monday.
- (e) A ten (10)-hour work period inclusive of a paid thirty (30)-minute meal period, any portion of which falls between 6:00 pm and 6:00 am, and the entire period from 6:00 pm Friday until 6:00 am on Monday.
- (f) A 9/80 schedule which consists of working eight days of nine hours, one day of eight hours, with the tenth day off (flex day) in a two-week period. The workweek for employees on a 9/80 schedule runs for seven days. The beginning of the work week is the midpoint of the first eight-hour day and runs for seven consecutive days ending at the midpoint of the seventh day.

The employee's schedule maintains regularly scheduled work hours of no more than 40 per workweek.

There are four variants of this schedule as shown in the Tables below:

0 / 0	9	9	9	9	0	0

* The workweek begins at the midpoint of the eight-hour day [noted as / in the above examples]. Each workweek is scheduled for 40 regular hours.

Assignment of the 9/80 schedule is at the sole discretion of the City and must be voluntarily agreed to by the employee.

Employees authorized to work a 9/80 schedule must receive prior written approval to modify any part of their regular work schedule from the supervisor prior to working any modified hours. Employees are responsible for designating which workweek hours are worked on the split workweek day (e.g., the 4/4 day) on their timesheets.

Transition to and from a 9/80 schedule requires management consultation with Payroll in order to ensure accurate payment of wages.

All employees on 9/80 schedules will receive a memorandum containing the terms of the schedule and will sign it indicating understanding of the terms.

When a City Holiday falls on an employee's regularly scheduled nine hour day, the employee must account for the additional hour of scheduled work in one of the following options:

- (a) Use accrued vacation, holiday, or compensatory time.
- (b) Receive approval from their supervisor to add the hour of work onto another day within the same workweek.

The paid lunch period in this Article, Section 7.4 (d) and (e) is not applicable to overtime worked that is either an extension of a regular work shift described in Section 7.4 (d) and (e) or separate from an employee's scheduled regular work hours.

Part time employees will have an established work schedule that may not correspond with the work schedules described above.

Section 7.5 Lunch Period. All full time employees' schedules shall provide for a thirty (30) or sixty (60) minute unpaid lunch period as determined by the division manager or designee, except as provided in this Article, Section 7.4 (d) and (e). The work schedule for part time employees working six consecutive hours or more per shift shall provide for a 30 or 60-minute unpaid lunch period as determined by the division manager or designee. The division manager or designee may require employees to exercise their lunch periods at various City locations in order to avoid lost work hours because of travel time. Such locations shall be equipped with basic sanitary facilities.

Each employee is expected to take the appropriate amount of time for each break and lunch period.

Section 7.6 Break Periods. All full time employees' work schedules shall provide for a twenty (20) minute rest period during each one-half (1/2) shift. Employees who are afforded a rest period, who by choice do not exercise that right, shall not be entitled to any form of compensation in lieu of the authorized rest period. Part time employees who work less than an eight (8) hour work shift shall be provided a 20-minute rest period during each four (4) hour work period.

Section 7.7 Wellness Program. Employees may, with prior supervisory approval, reduce their twenty (20) minutes break periods in this Article, Section 7.6, by 10 minutes each (for a total of 20 minutes) and aggregate the 20 paid minutes to their unpaid lunch period in Section 7.5 for the purpose of wellness activities such as attending physical fitness classes, facilities or other related programs. Under no circumstances shall the transfer of these minutes' result in more City-paid time off work than would have otherwise been authorized under this Article, Sections 7.5 & 7.6. By electing this option, employees must also take their remaining 10 minute rest periods pursuant to Section 7.6.

Section 7.8 Employee Hour Substitution Requests within a FLSA Workweek or within a Workday.

Within a Workday: Employees may request to modify their start and stop times to meet personal needs. Such modifications must adhere to the other requirements of this Article (Sections 7.1, 7.2, 7.3, 7.5 and 7.6).

Within a Workweek: Employees may request to work fewer hours than scheduled on one day in an FLSA workweek and make up for those hours by working an equivalent number of additional hours on another day in the same FLSA workweek.

These scheduling changes are subject to the approval of management, and regardless of any other provisions of this agreement, will not result in overtime pay or any additional costs to the City.

Section 7.9 Alternate Regular Work Schedules. Any work schedule other than those described in Article 7, Section 7.4, used for more than a week, shall be put in writing, approved by the employee's direct supervisor

outside the bargaining unit, the department head and Human Resources. A copy signed by all parties shall be placed in the employee's personnel file.

Alternate work schedules include a flexible work schedule which is a work schedule, which varies the number of hours, worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek.

Telecommuting for all or part of a workday is an alternate work schedule and must be in compliance with City policy.

An employee may be assigned or an employee may request to work an ongoing alternate work schedule if such is mutually agreed upon in advance by the employee and the City.

Alternate work schedule agreements shall be valid for a period up to one (1) year from the date of initiation. Upon the conclusion of one (1) year, a review of the agreement will be completed by employee and department manager or designee to discuss renewal or termination of the agreement. A request to adjust or terminate the agreement by either employee or management may take place at any time prior to the one (1)-year anniversary date. Management reserves the right to terminate the agreement at any time; however, flexible work schedules will not be changed with less than ten (10) working days' advance notice, except where an emergency exists. Additional notice may be provided.

The parties agree that use of alternative schedules under this section does not set precedent for agreement to future schedules.

ARTICLE 8. OVERTIME AND STANDBY TIME/ON CALL

Section 8.1 Full-Time Employee. As used in this Agreement, for full time employees overtime shall mean that time an employee is authorized and directed to work:

- (a) In excess of their regularly scheduled hours for the day; or
- (b) In excess of a mutually agreed upon daily flexible schedule; or
- (c) On any regularly scheduled day off; or
- (d) In addition to a scheduled forty (40) hour shift week.

For the purpose of determining overtime due for hours worked in excess of the regularly scheduled hours for the day, sick leave shall not be considered hours of work.

Section 8.2 Part-time Employees. Overtime for part time employees shall be that time the employee is authorized and directed to work in excess of forty (40) hours in a work week.

Section 8.3 Overtime Exempt Employees. Employees appointed to the following positions are not subject to the overtime provisions of this Article:

Application Analyst
Business Analyst
Sr. Business Analyst

Performance Analyst
Senior Network Administrator
Network Administrator
GIS Analyst

Section 8.4 Rounding of Overtime. Overtime shall be computed to the nearest quarter hour.

Section 8.5 Overtime Rate. Overtime, whether taken as pay or time off, shall be compensated at the rate of time and one-half (1-1/2) the regular pay.

Section 8.6 Compensatory Time. Compensatory time may be accrued by agreement between the City and the employee. Such time off shall be granted at the rate of time and one half (1-1/2). Employees shall accurately record on their time sheet the agreed upon designation. The maximum compensatory time that an employee can accumulate is 80 hours. The City shall contribute the cash equivalent of all additional compensatory time hours in excess of the 80-hour maximum into the employee's VEBA account on a monthly basis. Employees may request pay out of compensatory time. Granting of compensatory time payout is at the discretion of the City.

Section 8.7 Overtime Assignment. Overtime shall normally be voluntary unless an insufficient number of qualified employees volunteer, whereupon, overtime work will be assigned. Consideration will be given to employees with prior commitments that would conflict with the overtime period.

Section 8.8 Call Back. An employee who is not assigned to standby time/on call under Section 8.9 and who is called back to work outside the assigned work shift shall be paid at the rate of time and one-half (1-1/2) the employee's regular rate of pay for a minimum of two (2) hours. If the call out occurs one (1) hour or less before or after the start of the work shift the overtime worked shall be considered an extension of the work shift and be compensated as such.

Section 8.9 Standby Time/On Call. The City will, in its sole discretion, determine which employees are eligible to be assigned standby based on the employees' ability to reliably respond to the operational requirements of the City.

Standby time/on call is defined as any time an employee is required to stand by to respond if contacted by telephone or pager for duty while off duty. If called out for duty, the employee shall respond within the time limit established by the department. The employee shall be compensated at the rate of time and one-half (1-1/2) the employee's regular rate of pay for two hours for each 24-hour period of standby time plus time and one-half (1-1/2) for the actual hours worked. Multiple occurrences of "actual hours worked" that fall within the same 15-minute time period shall be considered a single 15 minute increment.

Compensation for standby time/on call on a holiday shall be time and one-half (1-1/2) the employee's regular rate of pay for four (4) hours plus time and one-half (1-1/2) for the actual hours worked.

If the employee does not respond (answer phone, pager or arrange for alternate responder) to a standby notification or does not respond within the time limit established by the department the standby employee forfeits the two hours of standby pay typically allotted for that 24-hour period.

Standby/on call duty is a requirement for designated COBEA represented positions. Each division may require standby/on call duty and shall maintain a list of qualified personnel.

ARTICLE 9. PROBATION

Section 9.1 Initial Probation. All employees who are appointed to a COBEA represented position shall serve the initial eighteen (18) months of employment on probationary status to determine their suitability for continued employment. The initial probationary period shall begin when an employee is appointed to a COBEA represented position. Transition from initial probation to regular status may occur prior to eighteen (18) months at the City's sole discretion.

Section 9.2 Termination of Probation. The City may remove an employee at will within the probationary period if, in the opinion of the City, the employee is unable or unwilling to perform the duties in a satisfactory manner or that the employee's habits and dependability do not merit continuance as an employee. There shall be no grievance procedure for employees removed during the probationary period.

Section 9.3 Promotional and Lateral Transfer Probation. Upon promotion or lateral transfer, employees shall serve a six (6) month probationary period to determine their suitability for continued employment in the classification to which they are promoted or transferred. A lateral transfer is defined as the movement from one classification to another classification within the same salary grade. If an employee is promoted/laterally transferred and does not meet the requirements of the new position, the City may return the employee to their former position provided a vacancy exists in that previous position.

ARTICLE 10. COACHING, COUNSELING AND FORMAL DISCIPLINE

Section 10.1 The principles of progressive discipline shall be used except when the nature of the problem requires more immediate action. An employee shall not be disciplined or discharged without just cause.

Section 10.2 Coaching and Counseling. Coaching and counseling are not considered discipline and may not be protested through the grievance process. Examples may include directives, letters of confirmations of verbal counseling or letters of expectation. These are less formal means of resolving issues related to daily operations or conflicts. Counseling may serve as notice to the employee for future disciplines. Counseling can be maintained in the supervisory file for review for yearly evaluations, but are not placed in the personnel file. Upon request, an employee may review and request copies of counseling documents in their supervisory file. The employee may submit a written rebuttal to the counseling, which will be maintained in the supervisory file with the counseling document. Nothing in this Section shall be construed to prevent or prohibit the City from discussing operational matters informally with employees.

Section 10.3 Formal Discipline. Formal discipline shall normally consist of the following which will be documented by written memo reciting the date and reasons for the discipline:

- (a) Written Reprimand
- (b) Unpaid Suspension
- (c) Disciplinary Demotion
- (d) Discharge

Section 10.4 Delivery of Discipline. Formal disciplinary action shall be accomplished in a manner, which affords the employee the most protection possible from embarrassment before other employees and the public.

Section 10.5 Due Process. When the City intends to take formal disciplinary action involving discharge or suspension, the City shall notify the employee and COBEA in writing of the charges against the employee and the proposed disciplinary action. The City shall provide the employee and COBEA with the opportunity to respond to the charges at a meeting with the supervisor or person having authority to impose the proposed disciplinary action. The meeting shall be held at a mutually agreed upon time but no later than 10 calendar days from the initial notice to the employee.

Section 10.6 Notifications of Policy Changes. In order to assure that employees have adequate forewarning or foreknowledge of the possible or probable disciplinary consequences of their conduct, employees will not be subject to discipline under amended or new policies until they have been afforded an opportunity to read the policies on duty and/or receive appropriate training on the policies.

ARTICLE 11. GRIEVANCE PROCEDURE

Section 11.1 Grievance Defined. A grievance for the purpose of this Agreement is defined as a dispute between the parties to this agreement regarding the terms of this Agreement, and shall include such a dispute between an individual COBEA member and the City. Probationary terminations in Article 9 are excluded from the grievance procedure.

Section 11.2 Representation. Any employee, with COBEA representation, may pursue a grievance under this Article. It is the intent of both the City and COBEA, that whenever possible, grievances between the parties to this Agreement shall be resolved informally and in an amicable manner. When informal discussions have not resulted in a resolution of the grievance, the parties agree to the procedures outlined in this Article.

For grievance process purposes, days shall mean "Business Days" and be counted on a Monday through Friday workweek and shall exclude Saturdays, Sundays, and City recognized holidays.

Section 11.3 Grievance Procedure. The employee and COBEA steward shall, subject to work requirements and approval of the department head or designee, be granted release time with pay for investigation of potential grievances. Release time requests shall be submitted in writing to the work area supervisor and shall specify dates and time periods. Permission for release time shall not be unreasonably withheld. The supervisor shall forward a copy of the approved release time request to Human Resources. All City-paid work time authorized by this agreement spent performing COBEA related grievance activities shall be recorded as such on the employee's time record. Regular work time spent performing COBEA related grievance activities but not authorized as City-paid in this agreement shall be charged against the employee's accrued leave.

Section 11.4 Grievance Steps. COBEA may pursue a grievance on the employee's behalf following the steps of the grievance procedure as outlined below:

Step I. Supervisor Discussion. The grievant shall discuss the grievance with the immediate supervisor outside the bargaining unit within fifteen (15) days from the occurrence thereof, or of knowledge thereof. The supervisor shall respond to the grievance as quickly as possible, but no later than ten (10) days after the grievance is first discussed.

Step II. Written Submission. If, after ten (10) days from the date of receipt of the immediate supervisor's reply, the grievance remains unresolved, the grievant shall submit written notice to the supervisor with a copy to COBEA including: (1) a statement of the grievance and relevant facts upon which it is based; (2) specific provision(s) of the contract violated; and (3) the remedy sought. The supervisor shall respond to the grievant in writing within ten (10) days of receipt of the written grievance. The supervisor's response shall include a statement of the supervisor's decision and the relevant facts and contract provisions upon which it is based.

Step III. Department Head. If the grievance is unresolved at Step II, it may be submitted within ten (10) days from the date of receipt of the supervisor's reply, to the appropriate Department Head. Within ten (10) days of receipt of the unresolved grievance, the Department Head shall meet with the immediate supervisor and the grievant, who may request a COBEA representative at the hearing. The Department Head shall respond to the grievance in writing within ten (10) days of the meeting.

Step IV. City Manager. If the grievance remains unresolved at Step III, it may be submitted within ten (10) days from the receipt of the Department Head's written reply to the City Manager. Within ten (10) days of receipt of the grievance, the City Manager shall meet with the grievant, COBEA representative, and the Department head. The City Manager shall respond in writing within ten (10) days of the meeting. If the grievance is related to a performance evaluation, the City Manager may designate the Human Resources Director to act in their behalf.

Step V. Mediation. If the Association is not satisfied with the decision provided by the City Manager at Step IV, the Association will submit the grievance to mediation within fourteen (14) calendar days from either the City Manager's response or fourteen (14) calendar days from the due date of the response. The parties may mutually agree to a local mediator or use a mediator provided by the Employment Relations Board (ERB). Parties agree to share the costs of the mediator. Unless otherwise agreed by the parties, the period for mediation will be limited to 120 days, starting from timely notice of mediation by the moving party. The parties must meet at least one time and agree to meet in good faith to resolve the dispute. Termination cases are not subject to the mediation process and may move to the next step. The parties may mutually agree to forego mediation.

Step VI. Arbitration. If the grievance remains unresolved after mediation, the grievant with COBEA's approval, shall have fifteen (15) days from termination of mediation to serve notice to the City Manager, in writing, of its intent to arbitrate. The arbitrator shall be selected by mutual agreement of the parties. If the parties cannot agree on an arbitrator, the arbitrator shall be chosen in the following manner:

- (1) A list of seven (7) members of the Oregon State Conciliation Services with the ERB who reside in Oregon or Washington shall be requested and the parties shall alternately strike one name from the list, until only one is left. The arbitrator list shall include only those arbitrators who are permanent full time residents of Oregon. The first strike shall be determined by lot. The remaining name shall be the arbitrator selected. Parties will strike names within ten (10) days of receipt of the list from the ERB.

- (2) The arbitrator shall hold a hearing promptly and shall issue a decision within thirty (30) days. The arbitrator's decision shall be in writing and shall set forth finding of fact, reasoning, and conclusions on the issues submitted. The arbitrator's decision may also provide retroactivity to the original date of the Agreement. The powers of the arbitrator shall be limited to interpreting this Agreement and determining if it has been violated; the arbitrator shall have no authority to alter, modify, vacate, or amend any terms of the agreement, or to decide on any condition which is not specifically treated in this Agreement. Insofar as the decision of the arbitrator is within the scope of their authority, as described above, and is based on substantial evidence, their decision shall be final and binding on both parties.

- (3) The costs of the arbitrators shall be borne equally by the parties. Each party shall be responsible for costs of presenting its own case to arbitration.

- (4) Any information, material or testimony of witnesses not previously made known by one party to the other party to the conclusion of the City Manager's deliberations in Step IV may not be used in arbitration.

Section 11.5 Time Limits. Any time limits specified in the grievance procedure may be waived in writing by mutual consent of the parties. Failure to submit the grievance in accordance with these time limits without such waiver shall constitute abandonment of the grievance. Failure by the City to submit a reply within the specified time will permit the Association to proceed to the next step.

A grievance may be withdrawn at any time upon receipt of a signed statement from the grievant.

ARTICLE 12. PERFORMANCE EVALUATIONS

Section 12.1 Evaluation Period. If an employee is promoted and does not meet the requirements of the new position, the City may return the employee to their former position provided a vacancy exists in that previous position.

Section 13.8 Position Reclassification. When warranted by a substantial, non-temporary increase in the complexity of duties or level of responsibilities assigned to a position, such position shall be reclassified to an appropriate classification in a higher salary grade, or the higher level duties reassigned by the City. If the position is filled at the time of reclassification, the employee's salary shall be adjusted by assigning the employee to, a step equal to or the nearest higher step in the new pay grade, relative to the employee's current pay rate. Upon reclassification, an employee's performance evaluation date shall remain the same.

Employees who believe they are working in a higher classification must initiate a request for position classification review to the City Human Resources Department by completing the Position Description Questionnaire (PDQ) form. The City's liability for retroactive pay shall be limited to twelve (12) months from the date the PDQ was received by the Human Resources Department.

Section 13.9 Lateral Transfers. When an employee laterally transfers from one classification to another classification within the same salary grade, they will be considered for a performance based step increase at six (6) months from the date of lateral transfer. Section 13.10 Salary Grade Adjustments. When a classification is moved to a different salary grade as a result of a change in prevailing rates for that class of work, salaries of individuals within that classification shall be adjusted as negotiated between COBEA and the City.

Section 13.11 Out-of-Cycle Step Increases. When the progress or performance of an employee below the maximum rate of their classification has been outstanding, they may be recommended for additional increases within the salary grade for their class of work. Such increases, if approved, will not affect the employee's anniversary date.

An employee assigned to perform the major distinguishing duties of a higher classification and/or to replace another employee in a higher classification, and to perform a majority of the principal duties of that classification for a period of more than one regular workday shall receive a five (5) percent increase from their base rate for all hours worked. This premium does not apply in situations where the employee is performing higher level duties for the purpose of professional development where the employee has volunteered in writing.

Compensation for the out-of-class pay shall occur no later than thirty (30) working days, including COBEA paid holidays, after the original date that the out-of-class work began, and shall be retroactive back to the first qualified day of out of class work.

Upon receipt of a written request to the Human Resources Department and department head, which specifies the positions and the grounds upon which it is based, COBEA and the City will meet within thirty (30) days to jointly determine how to proceed taking into consideration the following:

Access to a COBEA member's file shall be limited to only the individual employee involved and/or their designated representative, such supervisors and administrators of the City who are assigned to review or place materials therein, and such clerical personnel whose duty it is to maintain personnel files, provided such access or denial of access does not conflict with the provisions of Oregon's Public Records Law.

Section 15.3 Acknowledgement, Submission and Removal. No material, which in any form can be construed, interpreted, or acknowledged to be derogatory towards the employee, shall be placed in an employee's official personnel record that does not bear the signature of the employee. "Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

A copy shall be furnished to the employee on request.

If the employee refuses to sign the document, the document can be placed in the employee's personnel file with a notation of the refusal. A copy shall be delivered to the employee at work.

Section 16.3 Recall Procedure. Employees shall be called back from layoff in order of their seniority as defined in Article 17, Section 1.

Employees shall be notified of recall to employment by certified mail, return receipt requested, at their last known address and must respond within fifteen (15) calendar days of the postmark date on the certified mail receipt that they are accepting the offer of employment under the terms specified in the offer. Such response shall be in writing. Employees who do not respond in the prescribed manner shall be deemed to have refused the offer of re-employment and shall forfeit all seniority and/or rehire rights and privileges.

The City shall be subject to the recall provisions until an eighteen (18) month lapse has occurred since an employee was originally laid off.

Employees who are recalled/rehired from layoff status must be qualified to fill the opening. Section 22.1 Medical. The City will provide each employee and dependents a family medical, hospital, and major medical insurance plan for the life of this Agreement. Employees are eligible for coverage on the first of the month following their date of hire and shall become ineligible on the last day of the month in which their employment terminates, except for cases involving disability or authorized leave. Age limitations for dependents shall coincide with the current insurance agreement.

The City will credit \$2000 for an individual and \$4000 for a family into each employee's HRA account annually on the first day of the first month of each insurance policy year. In the event of separation of employment prior to the end of the plan year, the amounts credited into the HRA are pro-rated monthly with the plan year.

- (a) "Family" means the employee plus one or more eligible dependents, as defined in the insurance plan.
- (b) For members becoming eligible for coverage under this plan after the first month of the policy year, and for the remainder of that policy year, the City will pay the deductible expenses incurred up to \$2000 for a single and \$4000 for a family. There will be no contribution to the VEBA Trust during this time.

All medical costs are based on medical expenses the insurance company covers as usual customary charges. The remaining out-of-pocket (OOP) limit of eligible medical expenses is \$16,000 for an employee with family and \$8,000 for a single employee.

The OOP expenses will be shared as incurred between the insurance provider, the City, and the Association member as follows:

- (a) Insurance carrier - 75% up to \$12,000 for a family and \$6,000 for an individual.
- (b) City – 15.625% up to \$2,500 for a family and \$1,250 for an individual.
- (c) Employee – 9.375% up to \$1,500 for a family and \$750 for an individual.

The City will be using a third party administrator HRA plan and the "HRA VEBA Trust" (Spokane) plan. The plans will allow HRA/VEBA money to be used on any allowable medical expenses outlined in the IRS Section 213 (d) or any other applicable IRS sections related to eligible medical expenses. The HRA plan provides a debit card(s) option for accessing the HRA, and FSA accounts.

The City agrees to provide a Flexible Spending Account (FSA) plan.

The parties acknowledge that the plan carrier may change to a calendar year cycle. In such event, the intent of this agreement as regarding to monetary payments will be applied equitably pro-rated.

The Association group premium rates will be determined based on all City Department employees' and dependents' experience, including retired employees, and other relevant insurance industry principles. The parties will meet annually no later than June 1 to review City plan experience and to consider premium rate and plan changes.

Section 22.2 Dental. The City will provide for each employee and dependents a dental insurance plan with orthodontic benefits. Employees become ineligible for coverage on the last day of the month in which their employment terminates. Age limitations for dependents shall coincide with the current insurance agreement.

Section 22.3 Life. The City will provide each COBEA employee with paid 24-hour life insurance protection in the amount of \$50,000. The City will also provide each COBEA employee with the option of purchasing life insurance to insure the life of each member of the employee's immediate family, subject to availability and requirements of City's group life insurance carrier. Employees and family members are eligible for coverage on the first of the month following their date of hire and shall become ineligible on the last day of the month in which the employee's employment terminates except for cases involving disability.

Section 22.4 Vision Insurance. The City shall provide each employee and dependents a vision insurance plan. Eligibility shall begin on the first day of the month following date of hire and shall end on the last day of the month in which employment terminates. Age limitations for dependents shall coincide with the current insurance agreement.

Section 22.5 Supplemental Voluntary Insurances. The City may provide voluntary supplemental insurance coverage to those employees wishing to subscribe at their own cost.

Section 22.6 Retired Employees. From retirement at age 55 until age 62, the member will be responsible for all costs associated with the retiree insurance plan. Under the High Deductible Plan (HDP), this includes the premium, deductible, and OOP costs. Retired COBEA members will be eligible to continue on the HDP at either the family or single option.

Employees hired after August 31, 2011 are eligible for the following:

The City will provide access to the City's health care insurance plan for retired employees hired after August 31, 2011. This coverage will be made available to the employee until the employee becomes Medicare eligible, to the spouse until the spouse becomes Medicare eligible and for a child until the child no longer meets legal eligibility guidelines. The City shall not be responsible for any costs associated with retiree health care insurance coverage including Medicare and supplement to Medicare insurance.

Employees hired prior to September 1, 2011 are eligible for the following sections (a) through (e):

The City will provide access to a medical benefits plan and payment of premiums for an employee providing:

- (a) The employee has worked for the City of Bend fifteen (15) continuous years prior to retirement.
- (b) The employee retires after their 55th birthday.
- (c) A medical benefits plan is available under current Agreement with an insurance carrier and the employee and dependents (if applicable) qualify for such a plan.
- (d) The employee and dependents (if applicable) are continuously insured under group coverage or a conversion policy acceptable to the insurance carrier prior to age 62. Employees retiring prior to age 62 shall be responsible for paying insurance premiums for themselves and their dependents

(if applicable) until they qualify for City-paid insurance benefits. Employees who allow a lapse in coverage will not be eligible for future City-sponsored insurance or payment of premiums.

- (e) Upon reaching age 65, the employee will be provided insurance and payment of premium under PERS-sponsored medical insurance.

Dependents may be included in City-sponsored insurance providing the dependents qualify under current policy agreements.

Regardless of the above, all retired employees and spouses are eligible for PERS insurance coverage at their own expense providing the employee is eligible for retirement benefits.

Section 22.7 Long-Term Disability Insurance. The City shall provide a long term disability benefit to insure sixty-six and two-thirds percent (66 2/3%) of the current base salary for an employee who works at least thirty (30) hours a week, if disabled due to off or on-the-job injury or illness. The disability insurance will provide salary protection when ninety (90) days have elapsed from the time of the disabling injury or illness. After ninety (90) days, disabled employees will be on leave from the City without pay unless receiving benefits as provided elsewhere.

If an employee becomes disabled, the employee may be medically laid off after exhausting all protected leave(s) if the City does not identify any vacant and suitable positions for which the employee is qualified. If the employee is disabled because of a work-related injury or occupational disease, the employee retains all statutory reinstatement and/or reemployment rights following medical layoff. If the employee is disabled for reasons other than a work-related injury or occupational disease, the employee will have up to twelve (12) months within which to provide medical information from their attending physician confirming the employee is capable of returning to the position they held at the time of medical layoff. If that occurs, the employee will be eligible for possible recall to the former position, subject to City procedures.

Section 22.8 Worker's Compensation Insurance. The City shall provide worker's compensation insurance during the life of this contract. Employees who sustain an on-the-job injury or illness and who are unable to perform their normal duties may be eligible for Workers Compensation subject to carrier rules.

When an injury occurs in the course of employment, the City's obligation to provide compensation under this section is limited to the difference between any disability payment or time loss payment received under Workers' Compensation laws and the employee's regular net pay. For the purposes of this Article, "regular net pay" is the base monthly salary for the regular work schedule of the employee in the classification found in the wage schedule, including incentives, less applicable deductions such as taxes, PERS, health insurance contributions, and other mandatory deductions. Regular net pay is for regularly scheduled hours and does not include overtime hours or other on duty incentives.

For the period of up to ninety (90) days from the date of injury, the employer will pay the difference in worker's compensation payments and regular net pay. After ninety (90) days, the employees may elect to use paid leaves to supplement Worker's Compensation payments and pro-rated charges will be made against accrued paid leaves, in the order of sick leave, holiday/personal leave, vacation, and compensatory time until such time the employee discontinues use of paid leaves or until such leaves are exhausted.

Section 22.9 Employee Health Insurance Committee. COBEA will appoint two members to represent COBEA on the City of Bend Employee Health Insurance Committee. This committee will be composed of two representatives of each participating City of bargaining unit, two employees representing the non-represented employee group and an equal or lesser number of City management staff members. It is the charge of the Employee Health Insurance Committee to look at cost control through plan design and/or investigating different insurance carriers. The committee will strive to maintain a plan that is substantially equal in the insurance benefits to the current benefits.

The committee shall meet approximately quarterly to review insurance usage and discuss employee health insurance issues. Should the current insurance plan or one reasonably equal to it become unavailable, the committee will evaluate alternatives and recommend a course of action. If the committee cannot reach a consensus, then a report summarizing the positions of the committee members shall be given to the City Manager and the ruling board of each participating bargaining unit. If any or all parties, the City Manager or the bargaining unit, reject the recommendation of the committee, or cannot reach agreement to change the insurance plan or carrier, then the parties will immediately commence bargaining.

Section 22.10 Flexible Spending Plan. The City will provide access to a Flexible Spending Plan that complies with IRC Section 125 requirements. This plan will allow for childcare costs to be paid from the employee's pre-tax earnings. If IRC regulations for these programs change, this contract provision may be reopened by either party.

ARTICLE 23. RETIREMENT

The City agrees to continue to provide a retirement plan for each employee, such being through the Public Employees Retirement System (PERS) or Oregon Public Service Retirement Plan (OPSRP) of the State of Oregon. The City will pay the employee's contribution of six percent (6%) of gross earnings to the Public Employee's Retirement System (PERS) or Oregon Public Service Retirement Plan (OPSRP).

ARTICLE 24. CLOTHING, UNIFORMS, AND PERSONAL SAFETY EQUIPMENT

Section 24.1 Clothing Cleaning and Laundering. The City will furnish uniforms and/or City specified work clothing to full-time personnel whose duties require such work clothing. Employees are required to pay for all cleaning of their work clothing and uniforms, unless otherwise provided in COBEA Agreements, with the exception of Public Works mechanics, Collection System Maintenance Workers, Water Reclamation Facility Operators & Maintenance staff, whose work clothing will be laundered at City expense. City reserves the right to require the use of uniforms provided by a uniform service. In this case, City will pay for all uniform costs including cleaning.

Section 24.2 Clothing Stipend. The City will provide for an annual stipend in the amount of \$140.00 payable as gross wages to eligible employees for the purchase of jeans. Employees are responsible for purchasing pants/jeans that meet the City's safety and uniform requirements and maintaining them in good condition.

The City will provide an annual stipend in the amount of \$160.00 payable as gross wages to eligible employees for the purchase of City-approved uniform tops e.g., (long and short sleeved tee shirts, Henley, and polo style). Employees are responsible for purchasing City-approved uniform tops according to the Department's uniform procedure and maintaining them in good condition.

Employees will receive annual stipends on or about the first payroll period within the month of August.

Section 24.3 Safety Items. Employees whose duties require safety glasses, gloves, rubber boots, or other protective clothing will have those items provided by the City. The City retains the right to establish rules and

procedures regarding frequency of issue, replacement of damaged items, limits on reimbursement costs and coordination with the City's insurance plan.

Section 24.4 **Boot/Shoe Reimbursement.** Employees who are required by OR-OSHA regulations to wear safety boots/shoes or employees who are required to leave their boots/shoes at the work place because of contamination will be reimbursed a maximum of One Hundred Fifty Dollars (\$150.00) every twelve (12) months toward the purchase of one (1) pair of safety shoes. The twelve (12) month period will be considered a "look back" period. Any safety footwear purchased under this provision must be approved by ASTM. To receive reimbursement, the employee must submit receipts as proof of purchase.

Section 24.5 **Business Travel Expense Allowance.** When it is necessary for an employee to use a motor vehicle in the performance of assigned duties by the City, the employee shall have a city vehicle furnished or be compensated in an amount equal to the current IRS rate per mile for personal vehicle use. All personal vehicle use must be approved by the department manager or their designee.

Overnight lodging allowance for authorized official overnight trips will be compensated on the basis of reasonable actual expenses.

Meal expenses for employees authorized to be out of town for City related duties shall be provided at the IRS per diem rate for the meals involved. Per Diem payment for meals is preferred; however, department heads may authorize reasonable, actual reimbursement of meal expenses on an exception basis. Reimbursement for the purchase of alcoholic beverages is prohibited.

Statements for compensation under this section shall show the respective dates upon which such expense was incurred including the number of work-related miles actually traveled and the actual subsistence expense incurred, except where only a minimum amount is claimed. Statements for compensation shall be approved by the department head prior to submittal for reimbursement.

ARTICLE 25. SCHOOLS, SEMINARS, TRAINING

Section 25.1 **Voluntary Training.** Employees may request to be reimbursed for the fees and expenses related to voluntary training such as college classes, seminars, and conferences. Upon prior approval by the department head or designee, the employee will be reimbursed in accordance to the terms of the advance approval. Reimbursement will be made upon satisfactory completion of the course, if applicable, usually designated by passing grade such as "C".

Section 25.2 **Required Training.** For employees required and authorized by the City to attend training such as college classes, seminars, and conferences, the City will pay the expenses related to training in accordance with the terms of this agreement.

Section 25.3 **Travel Expenses.** The employee's food, lodging and travel expenses shall be paid by the City in accordance with the provisions of Article 24.5 for an employee required to attend a conference or business meeting when said conference or business meeting is held at locations other than the employee's regular job location.

Section 25.4 **Paid Time.** The City encourages employees to pursue an education related to their employment. Upon advance approval by the department head or designee and subject to the operational requirements of the work area, the City will pay the employee's time off during regular working hours and without loss of pay or the obligation to make up the time to attend classes.

Section 25.5 **Certification and Licenses.** Employees are responsible to maintain all certifications and licenses required for the position held. Employees will be reimbursed if authorized in advance for dues

and fees incurred as a result of maintaining these certifications and licenses; reimbursement is limited to one set of fees per certification or renewal period.

ARTICLE 26. SAFETY

Section 26.1 Safe Work Environment Partnership. The City and COBEA agree to cooperate with each other in the implementation of safety rules and regulations per local, state and federal requirements. The City shall provide a safe work environment, and employees shall work in a safe manner at all times and in accordance with City safety programs.

Section 26.2 Notification of Safety Concerns. All safety concerns shall be reported immediately to a supervisor. It is clearly understood that the City shall take no reprisals against employees for reporting issues. Upon notification, the supervisor will notify the appropriate division manager and safety personnel.

Section 26.3 Safety Committee. The City will support safety committees and will review issues reported in Section 26.2 above. Minutes from safety committee meetings shall be posted in affected areas.

ARTICLE 27. OUTSIDE EMPLOYMENT

- (a) There shall not exist a conflict of interest between outside employment and City work
- (b) The outside employment shall in no way discredit City employment
- (c) The outside employment shall in no way detract from the efficiency of the employee in their City work
- (d) It shall be understood that City work and necessary overtime shall take precedence over any outside employment
- (e) No employee shall perform any outside service or employment during City working hours for which they receive additional outside compensation.

ARTICLE 28. SAVINGS CLAUSE

Should any section or portion thereof of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction or upon mutual agreement of the parties, such decision shall apply only to the specific section or portion thereof, directly specified in the decision. Upon issuance of such a decision, the parties agree immediately to negotiate a substitute, if possible, for the invalidated section or portion thereof.

ARTICLE 29. TERM OF THE AGREEMENT

This Agreement shall be effective October 1, 2016 and shall remain in full force and effect through June 30, 2019. It shall automatically be renewed from year to year thereafter unless either party shall notify the other in writing not later than January 15 prior to the date of termination that it wishes to terminate or modify the Agreement as per this Article. Notification need include only statement of intent to negotiate. This Agreement shall remain in full force and effect until June 30 of any year in which negotiations are initiated to change the current contract.

ARTICLE 30. SALARY

Effective October 1, 2016 (Payroll Date of September 26, 2016), the Salary Schedule in the Appendix A will become effective.

An employee's initial placement in the new Salary Schedule will be at the nearest higher step within the new grade based on their existing assigned classification.

2017 COLA: Effective July 1, 2017, Step 1 for each classification of the Salary Schedule will be increased by 1.5%. Remaining steps will be adjusted to reflect a difference of 5% between each step. See Appendix B.

2018 COLA: Effective July 1, 2018, Step 1 for each classification of the Salary Schedule will be increased by 2.5%. Remaining steps will be adjusted to reflect a difference of 5% between each step. See Appendix C.

PERFORMANCE PAY PROGRAM (PPP)

The City has interest in providing for a Performance Pay Program (PPP) for the purpose of rewarding the performance of employees who achieve results that improve City services. This program is intended to promote excellence in public service through the recognition of employee achievement in the form of a discretionary, time-limited, reward of additional compensation. It is the intention of the program to improve employee engagement in the City's mission.

The City's existing pay grades for COBEA members are considered appropriate for compensating employees up to the point of full competence in their respective positions. Employees may be granted performance based step increases pursuant to Article 13 up to Step 6 of the new pay plan as shown in the Appendix.

The Performance Pay Program will allow for up to an additional 10% (ten percent) of salary compensation for performance payable at the sole discretion of the City. Payment may be added to the sixth step of each classification for the awarded employee in COBEA pay plan at the sole discretion of the City for a period of up to one year. Only employees who are at Step 6 are eligible for the PPP. The City retains the sole discretion to determine:
